and thunders abroad among them the most outright squatter sovereignty—the doctrine that the Kanasa Legislature has full power to rule slavery out of the Territory to-day or to-morrow; and the manifesto is received with shouts of applause, and the utterer is honored as a true Northern champion of Southern principles! We can only say, in view of such things, that, if there are any high-minded and indapendent that, if there are any high-minded and indapendent that, if there are any high-minded and indapendent that the Kanasa Legislature has full power to rule slavery out of the morring you teel? "Raytherriled?" I paus for a reply.

In young Ruils by Steom. — Two engineers on the Morring Royal Control Maker, bow do you teel? "Raytherriled?" I paus for a reply.

If you the Louisville Janarual, I have a point of the morring you teel? "Raytherriled?" I paus for a reply.

If you the Louisville Janarual, I have a point of the morring to the view of the counties of the morring to the service of the morring to the count of the morring to the count of the morring to the counties of the morring to the count of the count of the morring to the count of the morring to the count of the morring to the count of the count of the morring to the count of the count of the morring to the account published, it does all the work of a guaranty morder to induce the holding of the account published, it does all the work of a guaranty morter to more the count of the count of the count of the morring to the account published, it does all the work of a guaranty more appointed to procure the subscription tion to devote its whole energies and if necessary even life itself to the maintenance of the principles of the State Rights Democracy of the South, and vet we see that it actually makes a parade of having sated with especial delicacy and reserve a letter of r. Buchasan which is not only, according to the Enquirer, in direct contradiction to these princi election to let it meet the eyes of the whole people of the United States prior to their being called on to cast their votes, we might have supposed that he intended to practice fair dealing. For months before the It is wall and universally understood now that Head This Proclaimed by the autocrat.

have to make to any political question; but, when he knew that he could send a letter to California favor of the construction of the Pacific Road as a ecially careful to boast of having treated it with as the people of the South will be likely to know are first how much the editor of the Richmond Entire means when he talks, according to his custom, were his medium devention to the neinciples of the Territories into the Union as a free State but bring all other Territories into the Union as free States as fast go home. "What for?" asked the Judge. "To Eansas into the Union as a free State but bring all and he trehled it. Finally, he asked permission to other Territories into the Union as free States as fast as the states Rights Democracy of the South.

By far the greater part, nine-tenths indeed, of all the southers Democratic papers that always have arrayed themselves atroughly against internal improvements by the General Government, ware even provements by the General Government of the Judge. "To asked the Judge, " the strongest freesoil measure ever adopted, and that, under the operation of its principles, not another foot of slave territory could ever be added to the Union.

Gov. WRIGHT ON AGRICULTURK.—Governor do

did, or the mass of his Southern organs in not daran's disgraceful act of writing the letter ray from him and electing some one else to the residency. Though that paper had supported him

cluded in it, such as Cobb, Flovd, and Bright, are a resistless storm of indignation and sink the Ad-

sance to see it till after the election is enough, a common stand time a mough, to stamp him as a dishonest add corrupt politician capable of practicing any dece, however fraudulent, to subserve his purposes.

Mr. Buchanam said by of excuse, in his California tree, that the policy of constructing the Pacific rails and with Government means some a part of the California and with Government means some a part of the California to the boundary of the construction with a proposition and the propert of applicing his inference of opinion between his Northern support. ther, that the policy of constructing the Pacific rail-

thing less of it. These things cannot be remedied now, but we may at least any that the people of the United States have a minerable prospect for an honast administration of the Government by the author of the Pacific railroad letter.

A New Way to Build a Ralmoad—A Good Proposition.—Keunsky is far behind her neighbors in regard to railroads. Her citizens have not yet learned to appreciate their great benafits, and whenever a company has been chartered for the construction of a railroad in our State, it has in too many instance been left to depend entirely upon our many instance been left to depend entirely upon subscriptions on the part of a few wealthy individual subscriptions on the part of a few wealthy individorporate or county subscriptions, anded peruaps by abscriptions on the part of a few wealthy individ-ants who have surplus capital to invest. There are some who will be so much benefited by the construc-some who will be so much benefited by the construc-tion their offices, for they supported Buchanon; and bundreds of housands of non-office-holding Sag-Nichts claim that they have a right to take their mark delivered to the spell-bound audience. I was a scene of intense moral sublimity. May he inone who will be at much beneated by the construction of railroads as the farmers living adjacent to them. By the reduction of the cost of transportation for the produce of their farms, thousands of dollars will be added to the producers the first producers. One of the farmers in central Kenneky, living upon the line of the Danville and Lexington road, sug-

to upliorne so proudly. Our charming young friend Lizzie writes ver reil bis antiscription shall reach \$500. When the

Could there be quiet in its depths below?
And the stars mocked her; pittering on that stream

ron may be all that Forney says be to and still be has not reached so low a depth in the scale of infamy as Forney has long since attained. In point of morality or political honousty it would be difficult to find in Pennsylvania or out of it a worse character than Forney.

GPA Maryaville paper says there is a hemp to be a first that place, who possible of the parting thought were to be rided strent. A wild shrick school of a slong the glore, a wild shrick school of a slong the glore. If he can whistle the tune forward and backward t the same time, he would do remarkably well as a But oh the st

The Value of squatter sovereignity; and his declarations were considered directly and strongly in favor of squatter sovereignity; and his declarations were soundly applicated by the Democratic and encourage. He argued that Territorial Legislatures have just as full a right as State Legislatures to pass laws either for the establishment of the establishment of the establishment of the community how to compound a dish that is fit to be eaten.

The Texas Republican says that fifteen negroes which he are recently sent out of the bill reducing the duties on imports and for other purposes.

The Texas Republican says that fifteen negroes which has been fixed by the will of their muster, which has been fixed by the will of their muster, which has been fixed by the will of their muster, which has been fixed by the will of their muster, which has been fixed by the will of their muster, which has been fixed by the will of their muster, which has been fixed by the will of their muster, which has been fixed by the will of their muster, which has been fixed by the will of their muster, which has been fixed by the will of their muster, which has been fixed by the will be the duties on imports and for other purposes.

The Texas Republican says that fifteen negroes which has been fixed by the will of their muster, which has been fixed by the will be the duties on imports and for other purposes.

The Texas Republican says that fifteen negroes which has been fixed by the will be admitted into the link of the compoundation of the Cdy of Louiside, in the U. S. House of Representatives, in nounced his intention to move as an amendment to the bill ast, in the U. S. House of Representatives, in nounced his intention to move as an amendment to the bill ast, in the U. S. House of Representatives, in nounced his intention to move as an amendment to the bill ast, in the U. S. House of Representatives, in nounced his intention to move as an amendment to the bill ast, in the U. S. House of Representatives, in nounced his intention to move a

the establishment or the exclusion of slavery, and there seemed to be no voice or feeling of diasent among his Democratic hearers.

We cannot but regard this fact as most deeply humilisting and diagnoseful to the Southern Democraty. In 1848, when the famous Nicholson latter of 61 00 racy. In 1848, when the famous Nicholson letter of The United States mint offers to purchase the old twent

instantly out of doors any resolution affirming squatter sovereignty. This is notoriously true.

And yet now, Mr. Buchanan having been elected on the schools of austoniy the body of every indiagrams.

The New York Christian Advocate, as a cure for suiside, proposes the enactment of a law consigning to the schools of austoniy the body of every indiagrams. othe Presidency, a Northern Democrate goes to the countries outh as the invited guast of Southern Democrate jury should declare to have committed felo de se.

manent policy of the nation, and slavery hereafter will

Wright, of Inliana, has recently set up almost as other remarkable fact is many be stated—that she many pretensions to the character of a learned agrishrink from all competition with anti-slavery in new culturist as to that of nn astula politician. He has Territories, for no man will be mad enough to take been the President of the ludiana State Agricultu-slavas into a Territory where it is understood that a ral Association, and has been making grandiloquent squatter sovereignty Legislature, made no chiafty of speeches in various places upon agriculture, in son Northerners and foreigners, may at any moment set of which he introduced most erndite dissertation HEMOGRATIC TROUBLES.—One of the Sag-Nicht editors of our city, who has been for some weeks at Washington, writes to his own paper a letter in which he greaks as follows: upon "roots and tops." The following cruel stories

We have seen it stated in several of our ex

road with Government means use a part of the Cincinsus: Platform. It was not a part of that platform, and we do not believe that any of the Locofoco pages, and the whole audience, all in-long purpose the conference, and the whole audience, a life-long purpose to return to the work of the ministry; and, turning to lish pustend that it was. Mr. Buchanan's allegation that it was in the platform was a deliberate deception and fraude and none of his admirers can make any thing less of it. These things cannot be remedied to the mestage of the whole audience, a life-long purpose to return to the work of the ministry; and, turning to lish net or in shaping the subsequent course of his administration. The most atrocious frauds were practiced in the platform was a deliberate deception and fraude and none of his admirers can make any thing less of it. These things cannot be remedied.

The same Democratic letter-writer says that "of-
